EDUCATION

Prerana Waldorf School, Hyderabad
- Secondary Education

FIITJEE Junior College, Hyderabad
- Senior Secondary Education

COMMUNICATION

As a student, I have gradually work on my communication skills through various academic projects, class presentations, debates, and group discussions. I like to discuss, construct arguments, perform research and encourage discussion on important and relevant topics.

LEADERSHIP

Over the years, I have taken part in many extracurricular activities such as organizing exhibitions, drives, cultural events, and many team activities. I am enthusiastic to continue working together with my peers to solve problems and create a positive impact.
